- Teambuilding.
- Following instruction from staff and peers.
- Social Learning.
- Demonstrating good behaviour in public.
- Responsibility.
- Life skills

Anglia Way- Hunstanton

Upon our arrival in Hunstanton, we began our walk to Old Hunstanton along the beachfront. As we made our way along the shore, we discussed the well-known Old Hunstanton cliffs. During the walk, the students came across a shipwreck, which immediately captured their interest.

After discovering the shipwreck, the students took the opportunity to find out more about its history. They learned that the wreck is the remains of a 130-foot steam trawler that was launched in 1907. This information fascinated them and they thoroughly enjoyed exploring and observing the ship's remains.

While at Old Hunstanton, the group also found a seating area where they were able to take a short break and have refreshments.

Once they had finished exploring the shipwreck, the students walked back to Hunstanton. To finish off the visit, they enjoyed a run along the beach with Smudge the dog, which they found great fun.

Quotes:

Look there is a shipwreck!

LH

This is a nice walk.
KG

Smudge your so cute.
