

## Outcomes:

- To Explore and learn.
- Behave well in public.
- To be active and enjoy a friendly game of badminton.

Description of trip: We have had a very sporty week here in Flamingos. On Tuesday we went swimming instead our usual orienteering walk. On Wednesday we went to PE and our experience day this week was: Badminton. We started by getting to grips with the badminton racquets and shuttlecocks. Our teacher demonstrated how to serve and we practised serving, ensuring it landed in the correct part of the court. We then practiced rallying the shuttlecock, then we challenged our teachers to a match. Our teachers won the match 21-15. It was close. Our next challenge was to see how long we could work together to keep the shuttlecock in action. The highest rally we got to was 20! We tried again and again, but couldn't beat this score. We enjoyed our snack at the Hudson, then returned to school to clean out the fish tank. Mr Chips (our fish) now has a lovely clean home again. Thank you Cambian for a lovely experience day.

## Quotes:

"Your serve!"

"It's so satisfying when the tank is all clean"

"Well done"
