

On the 14th April 2026, our wonderful Maintenance Operative Graham Corbin celebrated working at Hill House for 40 years!

Graham is a kind, hard working and dedicated member of the team who has given so much to the school over the years

He has many stories to tell as well as many special memories

This very special occasion was marked by a presentation of an award and letter of thanks and generous voucher from Head Office, homemade cards from the students, John Lewis card from colleagues at Hill House and a giant chocolate cake that our chefs made especially for the event

We are so grateful for all that Graham has given over the years and want to say a big CONGRATULATIONS for this remarkable length of service
