

Shap Road

Winter News Letter
2025

News from the Shap Road Team:

In the second half of 2025 the residents at Shap Road have had a very busy part of the year with a wide variety of activities planned which they have enjoyed.

One of the changes made was to the keyworker sessions which have been redesigned with our residents in mind. We've created symbols for likes, dislikes, activities and dislikes so that

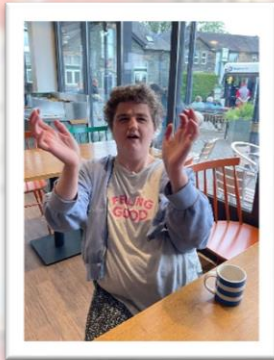

our residents can engage better with their keyworker sessions. Since this change they have been able to express what activities they like or dislike as well as to tell staff what foods they like and dislike. This change has offered a better opportunity them to communicate what is important to them with the staff supporting our residents.

Since the sensory room has been completed Sam, Jon and Fern have all enjoyed making use of it. We have continued to improve on the sensory room aiming to make it more enjoyable through adding new sensory toys to the sensory room for the residents to use as well as decorating the outside wall with sensory stickers that they can interact with.

Towards the end of the year Shap Road went on our winter holiday at Center Parcs. This was holiday was an outstanding success as Fern, Sam, and Jon seemed to enjoy it even more than they did in the previous year. They took part in many planned activities which included playing mini-golf, walks, visiting Santa's Workshop, swimming and going out to the local restaurants for their tea to name a few.

August 2025

Center Parcs Holiday

In December everyone went to the Center Parcs for a week's holiday. After arriving at the Center Parcs everyone went for a walk around the setting and then had their tea at an American diner. While waiting for tea to arrive, everyone had great fun colouring and drawing.

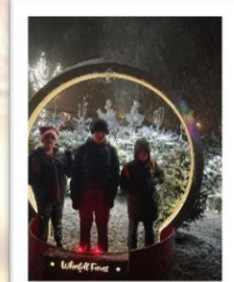

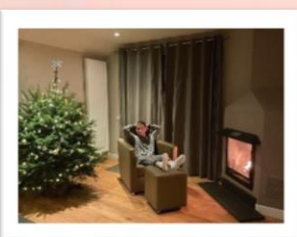

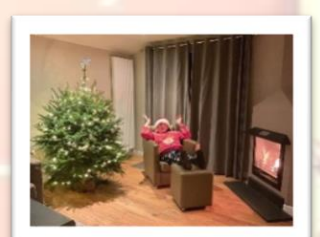

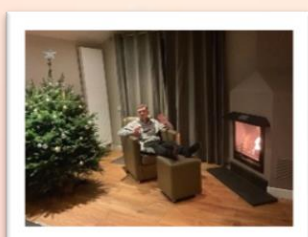

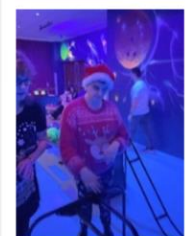

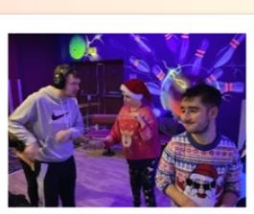

In the morning on the next day we enjoyed activities such as swimming, visiting the village and going for walk and enjoying the views.

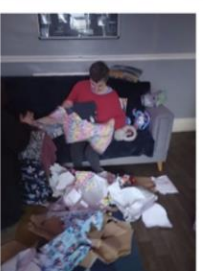

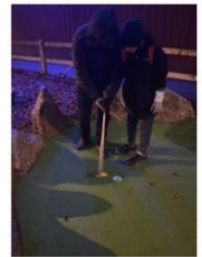

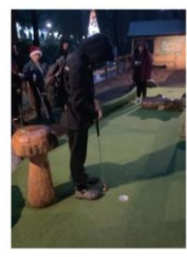

After having lunch back at the lodge together we then visited Santa's workshop where we got to see his elves and even met Santa himself. Everyone enjoyed getting their photo taken with Santa and even received a gift.

Then we went to the bowling alley where we enjoyed a game of bowling and everyone had great fun. Sam, Fern, and Jon even shared their turns.

After a walk around the illuminated garden where everyone got to enjoy the amazing light display and took some photos, everyone returned to the lodge and enjoyed getting warmed up by the fireplace.

Throughout the holiday at Center Parcs we had our tea out at the restaurants available there. Everyone took part in playing crazy golf and even got to see the bird of prey display.

Birthday Celebrations

On the 19th we celebrated Fern's birthday. In the morning Fern opened her birthday presents and later in the evening we celebrated with party food, singing, and playing a game of pass the parcel.

Messages from the staff.....

A final touch to the newsletter is a chance for you to hear from some members of the staffing team about what their most enjoyable moments over the past few months have been:

"The different achievements the residents have made in the last 6 months is wonderful. The holiday to Alton Towers was a great time, had by all that went, and allowed one of our residents to explore a different routine to their normal day. The Christmas holiday to Centre Parks was another success, and the residents were involved in plenty of activities. The residents were also involved in the Torchlight procession again this year, and despite the heavy rain, they all appeared to enjoy themselves.

Trish

Working at Shap Road is a joy. All of the residents have such diverse lives and enjoy a range of different activities. No two days are alike and making the residents smile makes the days' worth while. On top of their individual activities the residents of Shap road also go on group activities, such as Day trips to Hesketh Farm and Sunday pub nights to watch the Football.

Liv

I am loving being at Shap Road, spending time with the residents and seeing how happy they are enjoying life and enjoying so many activities daily!

Denise

I have enjoyed seeing the residents grow day to day, going on activity's they love. It was nice to see pictures from their Christmas holiday, they looked like they had a fab time. Looking forward to see what 2026 brings for our residents.

Dani

We hope you enjoyed reading about all of the exciting things we have done over the second half of 2025.

Please complete our short *Family Feedback Survey* which we have included with this Newsletter. Your feedback, no matter how small is greatly received.

We look forward to sharing more of the memories with you that we make over the rest of 2025!

Thank you 😊
