

# Buckingham Palace

## Gold Award Celebration 2026

On 20th May 2026, we celebrated an exceptional milestone at Buckingham Palace. We honour the incredible drive of our learners alongside the historic 70-year anniversary of the Duke of Edinburgh's Award scheme.

Our current learner, Sam, demonstrates immense grit and leadership while balancing daily studies, while our former learner, Isaac, carries those core values forward into his life, career, and community.
