WORK EXPERIENCE & FUTURES

Year 10 and Year 11 pupils have engaged in work experience across childcare, animal care, office bases and building sector job roles and industries.

Potterspury Lodge School is proud to announce that for the 5th year running all pupils have confirmed further college and training destinations with 2 pupils returning to the re-launch of our post-16 provision.

As a school we have again seen a rise in attendance.
Our overall attendance for 25/26 for the school was above National Average for SEND Schools at 87.27% and 7% better attendance in relation to persistent absence.
