

Good News at Whinfell!

AUTUMN 2026 • LIFE BEYOND LESSONS

A rainy evening, a world of colour

Creativity, confidence and teamwork — with a splash of colour!

Three canvases. Plenty of imagination.

Creativity takes the lead

A rainy autumn evening didn't stop creativity flowing at Whinfell! One of our young people teamed up with staff to organise a painting activity, creating some fantastic artwork while having fun and developing his artistic skills.

As he works towards his GCSE Art qualification, the chance to practise, experiment with different ideas and build confidence was warmly welcomed.

A splash of sunshine

Learning doesn't stop at the bell

This is Whinfell's 24-hour curriculum in action. Our education and care teams work alongside young people to create meaningful opportunities to develop skills, explore interests and work towards personal goals in everyday life.
