

Wildlife at Ivy Cottage

Day or Night...

Our Beautiful Gardens

- Peaceful
- Full of nature
- Changing with the seasons
- A joy to explore

Even at night there's wildlife to see!

Whether it's day or night...

Our residents at Ivy Cottage love to see what wildlife they can spot in our beautiful gardens.

A majestic Stag spotted in our gardens!

A cheeky squirrel with a tasty snack!

Lots of places for wildlife to hide, explore and make their home

Just a few of the animals our residents have spotted...

- Squirrels
- Stags
- Pheasants
- Rabbits
- All sorts of different birds
- and many more!

All sorts of beautiful birds visit our gardens

Our gardens are full of wonderful wildlife...

Rabbits are regular visitors too!
