HALF-TERM

FULL OF FUN!

A SPOOKTACULAR TWO WEEKS

What a fantastic half-term at Whinfell! From Halloween creativity and cosy film nights to friendly competitions, café adventures and cooking up a storm, our young people enjoyed two weeks full of laughter, connection and memorable experiences.

Making memories. Growing confidence.

A LITTLE BIT OF EVERYTHING

CREATE & CELEBRATE

Craft nights brought out everyone's imagination, with hands-on projects and spooky decorations. Movie nights meant blankets, popcorn and favourite films.

PLAY & CONNECT

Magic: The Gathering evenings sparked shared strategies and plenty of conversation. The pool tournament brought out competitive spirits — and a proud trophy winner!

EXPLORE & ENJOY

Café trips offered opportunities to enjoy tasty treats and time out in the local community, while precious family time made the break extra special.

COOK & SHINE

Our very own MasterChef moments saw young people take charge in the kitchen, preparing delicious meals for the staff team.

MORE THAN JUST FUN

Every activity offered opportunities to build independence, develop friendships, explore interests and celebrate individual achievements — all within the warmth and familiarity of Whinfell. A huge thank you to our team for making the holidays so varied, engaging and enjoyable.
