

Specialist further education colleges

Learning disabilities, autism, PMLD and complex needs

- Cambian Lufton College, Somerset
- Cambian Dilston College, Northumberland
- Cambian Pengwern College, Denbighshire

Cambian has a heritage of providing outstanding education and care for learners with moderate to severe learning disabilities and complex needs. We support learners with a wide range of needs and abilities to prepare for adult life.

As part of our person-centred approach, learners have access to individualised learning programmes matching their needs, choices and aspirations; be the focus on daily living skills, vocational qualifications or independent living.

All of our colleges are rated as 'trusted providers' by Ofsted/Estyn and fully compliant by CQC/CSSIW, offering specialised environments where learners feel safe and acquire new skills with confidence.

+ Personalised curriculum focusing on:

- Education and lifelong learning
- Practical life skills
- Vocational, volunteering and work placements
- Increased independence
- Community living
- Transition to adulthood

"We were very impressed both by the facilities and atmosphere, and by the approach to learning and development."

Prospective parent

"92% of our students say they are learning to do more on their own."

NATSPEC survey 2014

"You deliver what you promote, especially in preparation for moving on and engaging back in the local area."

Social Worker

"People's needs were assessed and care and treatment was planned and delivered in line with their individual care plans."

CQC report 2014

"Students benefit from a wide range of good therapeutic support, which enables them to be more independent and participate more fully in all activities."

Ofsted report 2013

"We are very impressed with all aspects of the college and our wonderful volunteers."

Community link business

"We have a student council to help us talk about things that are important to us, it's really great here."
